Sir,

With reference to your letter No.G.13845/P.P. 66-18-143 dated the 9th instant to the Director of Civil Supplies in Mysore, a copy of which has been forwarded to me with memo No. G.13846-7 of the same date, I have the honour to state that there is demand for export of horsegram from the Mysore State to the Bombay Presidency and there is a pretty good quantity of horsegram available for export. On the other hand, all the ragi that is available in the State is required for consumption in the State and for meeting the demands of places like Ooty, Gudalur etc. In the circumstances, I have the honour to suggest that Bombay wheat may be obtained in exchange for horsegram or jawari instead of ragi or jawari.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller in Mysore.
